

MAMMA MIA!

AUDITION INFORMATION

Date: August 12 & 13

Time: 7pm-9pm

Location: The Ruby Theatre (615 S. 10th Street)

Thank you so much for your interest in auditioning for Mamma Mia! This will be a general audition process that will begin with a short dance audition. The dance will be taught to you that night by our choreographer, Derek Thompson. He will teach the dance combination and then have small groups come forward and dance the combination so that he can get an idea of your dancing ability.

Immediately following the dance audition we will begin the vocal auditions. Our Music Director, Janell Becerra, will teach the general vocal selections that are in the audition packet. It is wise to be VERY familiar with these before the night of auditions as we have a very short amount of time to get through everyone. If you are familiar with the selected pieces it will make it much easier for you to learn the piece and for us to expedite the audition process. Similar to the dancing audition, Janell will have small groups of singers step forward and sing together. There is a possibility that she might want you to sing the audition cut by yourself if she is unfamiliar with your voice or just wants to hear more from you.

Time allowing, it is possible that we will begin singing for individual character(s), or do some of the character reading cuts.

We are looking forward to seeing you there! Happy Audition Prep!
