

Audition Packet

Thanks for considering auditioning for Wizard of Oz!

The packet is to help you prepare for auditions. You do not need to memorize anything, but the more familiar you are with the material, most likely the more comfortable you will be with the auditions.

The materials are not inclusive, new material may be introduced at general auditions and/or callbacks.

General auditions will include a dance and singing audition, and possibly readings. Callbacks will include more singing and readings, and possibly dance.

You are encouraged to come both nights of general auditions.

General Auditions will be Monday, December 10th and 11th. More details regarding adult and youth audition times to follow soon. Continue to check the RRT website.
